

SOIL NUTRITION PROGRAMME

APPLICATION FORM

Key Highlights of the Programme:

- Soil Reports
- Field Mapping with GPS Tracking
- Lime Plan
- Slurry/FYM Plan
- Fertiliser Plan

GREAT GRASS
SOIL NUTRITION & GRASSLAND YIELDS

ABOUT THE PROGRAMME

The Tirlán Soil Nutrition Programme will create a practical nutrient management plan that will benefit your farm. Using a tailored nutrient product solution, this plan can support better on-farm decision making from correcting lime deficiency to maximising slurry usage. In addition, any product recommendation provided will focus on best environmental practice. To view your soil report online register and link your account on tirlanfarmlife.com

Eircode

No of samples required
(Min of 10 if choosing map option)

Preferred month for sampling
to take place

Soil service required:
(please tick one)

1. DIY, Self service 4. Soils plus Fertiliser Programme
2. Samples taken for farmer (no maps)
3. Samples taken, GPS & Colour Maps

Soil sample required:
(please tick one)

- Standard L, P, K
- Plus organic matter
- Plus trace elements

Preparation tips for sampling:

Have a copy of your farm map available to give to the agent sampling so that essential farm information is captured.

Data Protection & Authorisation

Where you are submitting an application form to Glanbia Ireland DAC trading as Tirlán ("Tirlán") and its subsidiaries (together **Tirlán**) to process your Information (as described below) for the purposes of the Soil Nutrition Programme.

Your "**Information**" means, in relation to you ("**the Applicant**") the following categories of data held by Tirlán in relation to you:

- Name and contact details
- All information contained on this application form

You can withdraw your consent at any time by contacting Customer Service on 0818 321 321 / 056 8836600 or by emailing agricsc@glanbia.ie. However, this will not affect the lawfulness of any processing carried out before you withdraw your consent.

The Applicant hereby authorises Tirlán to share your information with the following third parties, as selected by Tirlán, for the purposes set out herein in order to conduct the Soil Nutrition Programme:

- 1)** ADF Farm Solutions Limited trading as FarmEye, an agriculture and food technology logistics company based at Onagh, Taughmaconnell, Roscommon, H53DD01, Ireland ("FarmEye") for the purposes of FarmEye (their agents or representatives) contacting you and attending at your farm in order to map your farm and return such maps to Tirlán in order for Tirlán to prepare a tailored soil nutrition plan for your farm; or
- 2)** IAS Laboratories, an environmental and agricultural testing lab based at Unit 4, Bagenalstown Business Park, Bagenalstown Co. Carlow ("IAS") for the purposes of IAS (their agents or representatives) contacting you and attending at your farm to conduct soil analysis and returning the results of such tests to Tirlán in order for Tirlán to prepare a tailored nutrition plan for your farm; or
- 3)** FBA Laboratories Limited, an environmental and agricultural testing lab based at Carrigeen Industrial Estate, Cappoquin, Co. Waterford ("FBA") for the purposes of FBA (their agents or representatives) contacting you and attending at your farm to conduct soil analysis and returning the results of such tests to Tirlán in order for Tirlán to prepare a tailored nutrition plan for your farm.

BY SIGNING THIS AUTHORISATION I/WE CONSENT TO THE USE AND DISCLOSURE OF MY/OUR INFORMATION IN THE MANNER AND FOR THE PURPOSES SET OUT IN THIS AUTHORISATION.
